Summary

I am a Senior Recruiter with years of experience helping companies build high-performing teams.

Throughout my career, I have successfully recruited professionals across multiple regions including Africa, Europe, North America, and Asia.

I specialize in full-cycle recruitment, talent sourcing, and building strong talent pipelines for high-growth organizations.

I have led recruitment teams, partnered with senior stakeholders to develop hiring strategies, and implemented recruitment processes that improve candidate experience and reduce time-to-hire.

My expertise includes sourcing tech and non-tech professionals using tools such as LinkedIn Recruiter, Greenhouse, Lever, Workable, GitHub and others.
